

Milpitas residential streets are swept twice a month to keep our neighborhood streets clean and storm drains open.

Thanks for doing your part to keep our streets clean and protect our creeks and bay year round!

- *Street sweeping occurs from 7am - 5pm.*
- *Move your vehicle on your street sweeping days.*
- *Not sure when your sweeping day is? Visit our website or contact us via phone or email.*

When blocked, sweepers cannot keep storm drains clean of dirt, trash and pollutants that accumulate on our streets.
