

Milpitas residential streets are swept twice a month to keep our neighborhood streets clean and storm drains open.

Thanks for doing your part to keep our streets clean and protect our creeks and bay year round!

- *Street sweeping occurs from 8am - 5pm.*
- *Move your vehicle on your street sweeping days.*
- *Not sure when your sweeping day is? Visit our website or contact us via phone or email.*

When blocked, sweepers cannot keep storm drains clean of dirt, trash and pollutants that accumulate on our streets.

Size Matters! A Word About Cardboard

Corrugated cardboard and paper boxes should be flattened and large pieces cut to 2' x 2' or smaller before placing into the blue split **RECYCLABLES** cart. When your cart is full, you can stack cut/sized cardboard next to the blue split **RECYCLABLES** cart for collection.

Why do we have limits on size?

Besides creating more room in the recycling cart, keeping pieces 2' x 2' or smaller prevents materials from blocking carts and obstructing the hopper of the collection vehicle. Managable sizing also keeps drivers safe and the collection program efficient.
