

Proud to be your service provider for the collection of **Recyclables**, **Garbage**, **Food Scraps** & **Yard Trimmings**.

Commercial Customer News

SEPTEMBER 2018

Recycle Right!

Extra attention is needed by businesses and residents to reduce waste and make sure that the materials we recycle have the highest value possible.

Containers going into the blue **RECYCLABLES** carts or bins should be empty and clean.

Plastic, glass, or metal does not belong in the green **YARD TRIMMINGS** carts or bins.

All food scraps and food-soiled paper belong in the **FOOD SCRAPS** carts or bins

USE LESS PAPER AND PLASTIC - Reduce, reuse and repair *before* you recycle. The less waste we generate, the less of it we need to manage. For more reuse, donation and recycling information call or visit:

Do You Need to Improve or Start Your Recycling Program?

WE CAN HELP! Milpitas Sanitation representatives are available to:

- Visit your business to conduct waste assessments.
- Make service suggestions.
- Help train employees/tenants.
- Provide posters, service guides and internal collection containers.

Contact us or visit our website for more information.

Are Reusables Right for Your Business?

Reusable transport packaging ("Reusables") replace limited-life transport packaging, saving money and resources. Examples of Reusables include:

- Hand held containers.
- Pallets, pallet wraps and bands.
- Bulk containers and drums.

Reusables can offer significant advantages over traditional transport packaging by:

- Lowering shipping costs.
- Offering more efficient product storage, handling and distribution.
- Improving product protection, worker safety and storage efficiency.

Visit www.useusables.org/are-reusables-right-for-me and complete the checklist to find out if reusables are right for you!

Recycled-Content Product Manufacturers Directory

Do your part by "closing the loop" and buying products made of recycled materials whenever possible.

The Recycled-Content Product Manufacturers (RCPM) directory showcases innovative recycled-content products made by California manufacturers who use recycled waste as a feed-stock. Buying from these manufacturers supports the economy and green jobs in California.

Visit: www.calrecycle.ca.gov/rcpm/ to find recycled content product manufacturers or to be added to the directory.
