

Milpitas residential streets are swept twice a month to keep our neighborhood streets clean and storm drains open.

Thanks for doing your part to keep our streets clean and protect our creeks and bay year round!

- *Street sweeping occurs from 8am - 5pm.*
- *Move your vehicle on your street sweeping days.*
- *Not sure when your sweeping day is? Visit our website or contact us via phone or email.*

When blocked, sweepers cannot keep storm drains clean of dirt, trash and pollutants that accumulate on our streets.

Avoid Food Waste This Holiday Season

40% of food gets wasted in our country. There's no better way to give thanks for our food by making sure none of it goes to waste.

- **Promote smaller portions.** Set out smaller serving spoons or serve everyone smaller helpings on individual plates.
- **Be generous!** Pack up extras/leftovers in reusable containers for your guests to take home and enjoy.
- **Don't trash the scraps.** Peelings, trimmings and bones can be used to make homemade stock. Freeze extra to use later.
- **Still have leftover inedible food?** Put all unusable food scraps and food-soiled paper in the Food Scraps side of your gray Garbage/Food Scraps cart!
