

HAZARDOUS WASTE DOES NOT BELONG IN ANY MILPITAS SANITATION CART OR BIN.

WHAT IS HAZARDOUS WASTE?

Hazardous items like pesticides, fertilizers, pool & photo chemicals, paints, varnishes, thinners, toxic cleaning products, smoke detectors, thermometers, CFLs/fluorescent light bulbs, unwanted medications, sharps (needles, lancets, etc.), automotive fluids, batteries and propane/fuel tanks need to be taken to a hazardous waste collection facility. For more information visit **HHW.org** or call **408-299-7300**.

HOW DOES MY BUSINESS PROPERLY DISPOSE OF HAZARDOUS WASTE?

Businesses may not use the residential hazardous waste program. Some small business owners in Santa Clara County may qualify for the Conditionally Exempt Small Quantity Generator (CESQG) program. To see if your business qualifies for the CESQG Program: visit: **HHW.org** and look for the Business/CESQG section, or call: **408-299-7300**.

If your business does not qualify for the CESQG Program, please refer to Santa Clara County's Department of Environmental Health – Hazardous Materials Compliance Division at: **www.sccgov.org**, click on the business tab and then on the "Hazardous Materials and Waste Disposal" Quick Link at the bottom of the page.

Recycling is Required

California Regulations
(AB 341 & AB 1826) Require
that Commerical Businesses
must sort Recyclables and
Organic materials out of
their garbage.

Visit: www.CalRecycle.ca.gov for more
information about the Mandatory Commercial
Recycling Ordinances.

Contact Milpitas Sanitation for help starting
or improving your **RECYCLABLES**, **YARD
TRIMMINGS** and/or **FOOD SCRAPS** collection
program.

Our representatives are available to:

- Visit your business to conduct waste
assessments

- Make service suggestions
- Help train employees
- Provide posters, service guides
and collection containers

Contact us to improve or start your
Recyclables, **Yard Trimmings** and/or
Food Scraps collection program today!
