MOVE-OUT GUIDE Reduce Waste During Your Move

By following the tips and resources listed here, you will help our community to reduce waste, conserve resources, and comply with State and local laws.

TIME TO PURGE?

Please sort unwanted items into your **Recyclables**, **Yard Trimmings**, **Garbage** and **Food Scraps** carts and bins correctly. Contact us or visit our website for more information regarding our Multi-Family On-Call Clean Up Program for large/bulky items.

NEED PACKING MATERIALS?

Ask your property manager if another resident recently moved in and could pass along empty boxes and other packing supplies. Also check **Craigslist.org** and **Freecycle.org** to see if another local resident has posted moving supplies. Visit nearby moving companies like U-Haul; they may have gently-used boxes available for no charge. Avoid using packing materials that are not reusable or recyclable.
