

Milpitas residential streets are swept twice a month to keep our neighborhood streets clean and storm drains open.

Thanks for doing your part to keep our streets clean and protect our creeks and bay year round!

- *Street sweeping occurs from 8am - 5pm.*
- *Move your vehicle on your street sweeping days. When blocked, sweepers cannot keep storm drains clean of dirt, trash and pollutants that accumulate on our streets.*
- *Not sure when your sweeping day is? You can search for your sweeping schedule by address and view the full calendar at: www.milpitassanitation.com/sweeperdays/, or contact us via phone or email.*
