Commercial Customer News

JUNE 2022

Right Size Your Service Levels!

Make sure your Recyclables, Food Scraps, Yard Trimmings, and Garbage collection service levels are correct for safe, efficient service and Senate Bill 1383 regulation compliance.

Commercial businesses **MUST SORT RECYCLABLES AND ORGANIC MATERIAL OUT OF THE GARBAGE** and have collection services for these materials in place. Visit our website www.milpitassanitation.com/commercial/sb1383/ or <https://calrecycle.ca.gov/organics/slcp/> for information about SB 1383 - Mandatory Commercial Recycling.

Are You Compliant?

Regulation information and educational materials (in other languages) are available online at the CalRecycle website: <https://calrecycle.ca.gov/organics/slcp/education/>.

We Can Help You Improve or Start Your Recycling Program Today!

Milpitas Sanitation representatives are available to:

- Visit your business to conduct waste assessments.
- Make service suggestions.

Collection Service Tips

As an essential service, the employees at Milpitas Sanitation provide the collection and processing of garbage, recyclables, and organics for the City of Milpitas. Help us provide safe and efficient service!

- Keep your collection cart/bin lids closed. Do not overload your containers.
- Make sure the area around your carts or bins is clear on collection day.

Need additional collection containers or more frequent service? Contact us today. We can help you create an efficient collection program to best suit your needs.

Holiday Service Schedule

Service will be provided as usual during the weeks of Independence Day and Labor Day.

The Recycling Market Development Zone (RMDZ) Program

The Recycling Market Development Zone (RMDZ) program combines recycling with economic development to fuel new businesses, expand existing ones, create jobs, and divert waste from landfills.

This program provides:

- Attractive loans.
- Technical assistance.
- Free product marketing.

Qualifying businesses must manufacture their products with recycled content material(s) and be located in a zone. Local incentives vary from jurisdiction to jurisdiction. Please visit: www.calrecycle.ca.gov/RMDZ/ for more information on the program, zone locations and how to qualify.

Do You Manufacture a Product in California?

CA Made is a state labeling program designed to encourage consumer product awareness and to promote the purchase of products manufactured in California.

Approved products receive:

- A license to use the CA Made label.
- Marketing benefits.
- Access to services from program partners.

To learn how to qualify and join the program, please visit <http://camade.ca.gov>.

ReThink Disposable Technical Assistance Program

Prevent waste before it starts! By reducing single use disposable packaging, your food service business can:

- conserve resources.
- prevent waste.
- reduce ocean pollution.
- increase operational efficiency.
- improve customer satisfaction.
- save money.
