Collection Service Tips

As an essential service, Milpitas Sanitation provides the collection and processing of garbage, recyclables, food scraps, and yard trimmings for the City of Milpitas. Help us provide safe and efficient service!

☑ Keep your collection cart/bin lids closed and do not overload your containers.

☑ Make sure the area around your carts or bins is clear on collection day.

☑ Please sort your waste properly. Truck loads with too much contamination get sent to the landfill.

Want to change the number, size, or service frequency of your containers? We can help! Call us today at 408-988-4500.

Holiday Service Schedule

Service will be provided as usual during the weeks of Independence Day and Labor Day.

The Recycling Market Development Zone (RMDZ) Program

The Recycling Market Development Zone (RMDZ) program combines recycling with economic development to fuel new businesses, expand existing ones, create jobs, and divert waste from landfills.

This program provides:
• Attractive loans.
• Technical assistance.
• Free product marketing.

Qualifying businesses must manufacture their products with recycled content material(s) and be located in a zone. Local incentives vary from jurisdiction to jurisdiction. For more information on the program, zone locations, and how to qualify, scan the code to the right.

Attention Retail Food Providers

Please remember that AB1276 is in effect and requires that no single use utensils or condiments be provided without first being requested by a customer.

This does not apply to:
• Correctional institutions
• Licensed health care facilities
• Residential care facilities
• Public and private school cafeterias

For more information, please scan the code to the right.

ReThink Disposable Technical Assistance Program

Prevent waste before it starts! By reducing single use disposable packaging, your food service business can:

• conserve resources.
• prevent waste.
• reduce ocean pollution.
• increase operational efficiency.
• improve customer satisfaction.
• save money.
