

MILPITAS RESIDENTIAL STREETS ARE SWEEPED TWICE A MONTH TO KEEP OUR NEIGHBORHOOD STREETS CLEAN AND STORM DRAINS OPEN

Please remember to move your vehicle on your street sweeping days. Vehicles left on the street block the sweepers and prevent them from keeping our storm drains clean, which in turn pollutes our bay as storm drains flow directly to the bay.

- Find your sweeping schedule here: www.milpitassanitation.com/sweeperdays/ or by scanning the QR code.

When vehicles and other obstructions block the street, sweepers cannot remove debris against the curb.

Maintain A Clean Stream

Milpitas is doing a great job of keeping most recyclable items out of the landfill through proper sorting. Remember, recyclable containers including glass bottles and jars, metal cans and scrap pieces, aluminum foil, and hard plastic bottles, jars, tubs and trays belong in the recycling.

Empty, scrape and dry recyclable plastic, metal and glass containers before placing them in the **blue recyclables** container. Items that still have food or liquid inside may contaminate clean recyclables, causing the whole truck load to end up in the landfill.

Sorting makes a difference! Thank you for your efforts!
