

MILPITAS RESIDENTIAL STREETS ARE SWEEPED TWICE PER MONTH

Find your sweeping schedule at www.milpitassanitation.com/sweeperdays/ or by scanning the QR code.

- Street sweeping occurs from 8am - 5pm

Please remember to move your vehicle on your sweeping days. Vehicles left on the street prevent the sweepers from keeping our storm drains clean, which in turn pollutes our bay.

Thank you for doing your part to keep our streets clean and protect our creeks and bay year round!

Maintain A Clean Stream

Milpitas residents are doing a great job of keeping garbage out of their recycling carts. Remember, not all plastics are recyclable.

These items belong in the garbage: plastic clamshells/takeout containers, plastic utensils, plastic cup lids and straws, foam/Styrofoam and plastic delivery/mailer packaging. Make sure to place these items in the gray lid side of your gray garbage split cart.

Sorting makes a difference!
Thank you for your efforts!

**Non-Recyclable
Plastics**
