**Per-Pull Rates**

Customer shall be charged a per-pull rate each time its debris box or compactor box is serviced. Per pull rates are listed below.

**Disposal and Processing Rates**

In addition to the per-pull rate (listed above) charged each time the debris box or compactor box is serviced, the customer will be charged for each ton of material in the debris box or compactor box based on actual weight of materials. Per-ton rates are listed below. Per-ton charges will be made after materials are collected. **Additional material rates are available upon request.**
